Dear Jayadeep

Workplace Relocation – Nottingham Office

Following recent discussions regarding the permanent closure of the Welwyn Garden City office, I am pleased to confirm that, effective as of 01 March 2026, your primary place of work and assigned office will be the Nottingham Office at 14 Park Row, Nottingham NG1 6GR. However, as you have been working from home on a regular basis, we are happy for this arrangement to continue.

All other terms and conditions of your contract of employment remain unchanged.

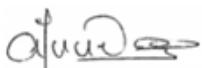

As this change to your normal place of work constitutes a permanent variation to your contract of employment, I would be grateful if you could sign, date and return a copy of this letter, in order to confirm your acceptance of these terms.

Yours sincerely

Charlotte Nord
People and Culture Manager

I, Jayadeep Pazhaveettil, am pleased to accept these changes under the above terms.
